

Partner Badge Guidelines.

Using the SREonCall Partner badge correctly

Partner Resource

For authorised partners only

sreoncall.com

partners@sreoncall.com

Rules and suggestions for using the "SREonCall Partner" badge on your website, collateral, proposals, and social media.

What you get

When your partner application is approved, you receive:

- **SVG badge** (vector, scales to any size) — transparent background.
- **PNG badge** in 512px, 1024px, and 2048px — transparent background.
- **Dark-mode variant** — white text + orange logo, for dark backgrounds.
- **Vertical lockup** — stacked for narrow placements like sidebars.

Request the asset pack from partners@sreoncall.com once your partner status is **Active**.

Approved usage

✓ **Website footer** — "SREonCall Partner" badge linking to your partner page. ✓ **About / Partners page** — alongside other vendor logos you resell or integrate with. ✓ **Sales proposals and statements of work** — wherever you list your solution stack. ✓ **Social media bios** — LinkedIn company page, Twitter/X bio. ✓ **Conference booths and print collateral** — as long as clear space is respected.

Not approved

✗ **Don't alter the badge.** No recolouring, no cropping, no changing proportions. ✗ **Don't imply ownership.** You are a partner, not SREonCall itself. ✗ **Don't use in misleading contexts** — e.g., as the primary logo on a product page. ✗ **Don't use for products that directly compete with SREonCall** unless disclosed. ✗ **Don't sub-license.** The badge is for your use, not your customers'.

Clear space

Leave clear space equal to the height of the "S" in "SREonCall" on all four sides of the badge. This keeps it legible and brand-consistent.

Minimum sizes

MEDIUM	MINIMUM WIDTH
Screen	120 px
Print	25 mm

Below these sizes, the wordmark becomes unreadable and the badge should not be used.

Colours

- **Orange** — #FF6B2B (Pantone 165 C)
- **Navy** — #0D1117
- **White** — #FFFFFF

Use the dark-mode variant on backgrounds darker than #CCCCCC .

Partner tiers

The base badge reads **"SREonCall Partner"**. If you reach a higher tier, you may request an upgraded badge:

- **Certified Partner** — after completing certification.
- **Premier Partner** — top 10% by revenue in the last 12 months.
- **MSP Partner** — for approved MSPs running 10+ tenants.

Questions?

Email partners@sreoncall.com before publishing anything you're unsure about. We'd rather answer a quick question than issue a takedown.
